

## Who we are...

We are a community based organisation providing direct services for migrants, refugees and humanitarian entrants. We network with local support services in community, government and private sectors to assist you in meeting your settlement needs. The Centre is run by a community management committee elected every year by its membership which is open to all who wish to join.

## What we do...

We provide a range of free services including:

### **Information, Referral and Casework**

We assist in a broad range of issues concerning migrants and humanitarian entrants. Printed materials in many community languages on a range of issues are available at our Centre for you.

We offer assistance in explaining documents and forms you may have to fill in.

### **Support for Community Groups**

The MRC can support projects you may wish to set up by providing a range of services such as:

Support in dealing with government and private agencies. The MRC can talk to government bodies about problems that you or your community experience.

We also provide free advice and information with migration and taxation issues. During tax time we can help with your tax return forms and lodgement.

Equipment use is available to all for a small fee. This includes typewriters, photocopier and fax.

Meeting rooms must be booked in advance and you will have to give a deposit for the key to the centre if using rooms outside of normal work hours.
